

Returns Form

If you wish to initiate a product return within 14 days, we gladly offer a refund as long as the item is returned in its original condition, including all packaging, tags, labels, and accessories.

Kindly complete the provided return form and include it in the package you are sending back.

Please be aware that orders exceeding £100 excluding VAT are subject to a **non-negotiable** 40% restocking fee. Ensure that you diligently fill out all the necessary fields on the Returns Form.

It is particularly crucial to provide your customer details and order number to facilitate prompt processing of your return; failure to include this information may result in delays in refund processing.
